

Aspire...

Shimpo's Aspire, a tabletop potter's wheel, can handle your most creative challenges. Its lightweight (handicap accessible), compact design makes it easily portable; and yet its 20-lb centering capacity makes it a permanent addition to any studio or classroom. The Aspire is available with a hand lever control or foot pedal and includes a splash pan and two bats. Your "Aspirations" are its only limit.

Free "Throwing On The Potter's Wheel" DVD included with all Aspire tabletop wheels

Amazing... Affordable...
Accommodating... Aspire!
