

Nidec to Participate in Electronics For You Expo 2012

01/02/2012

Nidec Corporation and its group companies, Nidec Sakyo Corporation and Nidec Techno Motor Holdings Corporation, announced that they will participate in **Electronics For You Expo 2012** to be held in New Delhi, India, from February 16 through 18, 2012.

During the Expo, the three companies will showcase their small wind power generators and ceiling fans, as well as samples and demonstration machines of low-power-consumption and high-performance motors and drive units for home appliance, automotive, and industrial applications, whose demands are rapidly growing in the Indian market.

Location: Pragati Maidan, New Delhi

Schedule: Thursday, February 16 – Saturday, February 18, 2012
