Press Release Regarding A Certain Media Report

With respect to the report relating to Nidec Corporation (TSE: 6594; OTC US: NJDCY) (“Nidec” or the “Company”) on the Diamond Online website today regarding, among other topics, a decision to dismiss the Company’s Representative Director and President and an impairment at a scale of 1 trillion yen, while it is true that change in executive members and a large-amount impairment are being discussed, none of them has been decided by the Company at this moment.

Nidec will promptly announce any decision or important matter that should be disclosed when it emerges.
