Released on September 30, 2026, in Kyoto, Japan

**Notice Regarding the Disclosure of the Financial Results for the Fiscal Year Ended March 31, 2026,
Exceeded 50 Days After the Fiscal-Year-End**

Nidec Corporation (TSE: 6594; OTC US: NJDCY) (the “Company” or “we”) today announced its financial results for the fiscal year ended March 31, 2026. The Company hereby announces reasons why disclosure of the financial results exceeded 50 days after the fiscal-year-end and information about its future disclosures.

1. Reasons for Financial Results Disclosure Exceeding 50 Days

As announced in the “Notice Regarding Postponement of Disclosure of the Financial Results for the Fiscal Year Ended March 31, 2026” dated April 27, 2026 and “Notice regarding consideration of an application for approval of an extension of the filing deadline of Annual Securities Report for the 53rd Fiscal Year (Ended March 31, 2026)” dated June 16, 2026, based on the results of the investigation by the third-party committee, the Company carried out procedures related to the financial settlement after finalizing prior consolidated financial statements after the fiscal year ended March 31, 2022 and the impact on prior financial statements, considering various factors, including whether to recognize additional impairment losses on goodwill and fixed assets and conducted verification regarding tax expenses and other related impacts for corrections to past fiscal years’ financial results, and conducting investigations on suspected quality-related misconducts and additional customs duties. These procedures took a significant amount of time, and disclosure of the financial results for the fiscal year ended March 31, 2026 exceeded 50 days after the fiscal-year-end.

2. Information about the Future Disclosures

We take this delay of the financial results disclosure seriously and are striving to prevent any recurrence. Going forward, we will establish robust internal control systems and strengthen our accounting governance to ensure appropriate information disclosure, with the aim of disclosing financial results within 45 days after quarter-ends.

We sincerely apologize for any inconvenience and concern caused to our shareholders, investors, and other stakeholders.
