Although the Company has considered paying dividends to respond to the support of shareholders and investors, in light of these circumstances, the Company has determined that it has no choice but to forgo the interim dividend for the fiscal year ending March 31, 2027.

Accordingly, the Company has resolved not to pay an interim dividend for the fiscal year ending March 31, 2027, with a record date of September 30, 2026.
