Nidec Advance Technology to Exhibit Products at HKPCA SHOW 2026

Nidec Advance Technology Corporation ("Nidec Advance Technology" or the "Company") announced today that it will exhibit products at International Electronics Circuit Exhibition (Shenzhen) ("HKPCA SHOW 2026"), an event scheduled to be held at Shenzhen World Exhibition & Convention Center from Wednesday, December 02 – Friday, December 04, 2026.

HKPCA SHOW, hosted by Hong Kong Printed Circuit Association, is one of the world's largest exhibitions leading the forefront of the PCB and electronics packaging/mounting industries. This year, based on the theme, "AI-driven Technology," the fair will intensively feature AI-based smart manufacturing solutions for the entire PCB production process, to support industry's introduction of intelligent solutions. The Company's booth will showcase the following products to appeal solutions that will contribute to product quality improvement.

Nidec Advance Technology's exhibits will include:

■ **RSH-S80iFAMP**

Inspection equipment that uses 2D and 3Dlasers to accurately measure and determine, with a single scan, the deficiency and thickness variation of bumps on FCCSP and other substrates

■ **NATS®-2120**

Electrical inspection equipment, intended mainly to inspect the static property of power chips' built-in substrates, that can detect short circuits, disconnections, and other electrical abnormalities with LCR parameters and circuits

■ **SREC® M6VSW+AGV**

Equipment that uses high-accuracy, image-recognition-based positioning and four-terminal inspection for large HDI units and multi-layer substrates, to automatically detect electric continuity and abnormalities

■ **NX-AISIS™ X-Ray Automatic Inspection (AXI)**

Automatic X-ray inspection equipment that X-irradiates printed and package substrates and visualizes their internal structures digitally to inspect for deficiencies inside substrates non-destructively.

About HKPCA SHOW 2026:

- Period: Wednesday, December 02 – Friday, December 04, 2026
- Venue: Shenzhen World Exhibition & Convention Center (Bao'an Hall)
- Booth: 7A21
- Official website: https://www.hkpcashow.org/
